**Reconfirm how instruction (Return to Learn Plan) is going to be delivered during the 20/21 school year:**

(Recommendation: Explain in narrative form any modifications to the original Extended Learning Plan)

At this time, Menominee County's COVID numbers remain manageable. Our local public health officials are not currently recommending a pause for face to face instruction. After consultation with Public Health of Delta and Menominee Counties as well as reviewing key data points and local hospital capacity it will be our recommendation that we continue with the current instructional plan, which is offering face to face instruction with a virtual option. We will continue to monitor our local data and communicate with the local health department to ensure the safety of our students, staff and community.
